Effective June 3, 2013

ACT Now	Get into the ACT...Aquatic Conditioning and Toning. Super-sized cardio intervals. It is fun, fitness and water all in one. All levels of fitness are encouraged to come.
Aqua Jam	This multi-level workout is easy on the joints while providing the benefits of a mid to high intensity workout. A cardio component and variety of equipment is used to strengthen and tone from head to toe. This class is held in the shallow end of the pool.
Wet n Wild	101 exciting ways to move in the water. Strengthen and tone muscles while providing a great cardiovascular workout. This class is held in the deep end of the pool.
Gentle Waves	This class combines low intensity cardiovascular exercise, muscle strengthening and stretching through a full range of motion.
Interval TX	Interval Training! A calorie-burning water class designed for people with the goal of weight loss and a desire to increase their cardiovascular strength. Exercise in a positive environment. Intervals will be cardio infused moments of high intensity bouts of cardio and strength segments. This class will utilize both shallow and deep ends of the pool.
Aqua Fusion	This class combines mid to high intensity cardiovascular exercises in both the shallow and deep ends of the pool to give a total body workout that will increase endurance, muscle tone and strength.
Aqua Zumba®	Jump into the latin-inspired, easy-to-follow, calorie burning, dance fitness-party that makes workout a splash! This class is done in the shallow end of the pool. Please wear aqua shoes.
